

The right medications at the right time!

What is E-Z Med?

E-Z Med sorts and organizes your monthly prescriptions, over-the-counter medications and vitamins into convenient, single-dose packets. To learn more about E-Z Med contact us today.

How much does E-Z Med cost?

Your first month is free. After that, E-Z Med is only \$5 per month.

Will my prescriptions cost more with E-Z Med?

Weber & Judd prescription prices are generally lower than most other retail pharmacies. We'll even provide you price quotes for any medications you might have questions about.

Will Weber & Judd accept my current prescription insurance and/or Medicare Part D plan?

Weber & Judd Pharmacy accepts all insurance plans as well as the Medicare Part D program. Our staff will work closely with you to ensure we have all proper paperwork in order for us to bill the appropriate drug plan.

All of my medications are on different refill schedules. Can I still use E-Z Med?

We'll work with your doctors and insurance company to get all your medications on the same schedule. Because we're able to see all your prescriptions at once, we're also able to notice the potential for any harmful drug interactions.

How many prescriptions can E-Z Med accommodate?

E-Z Med can manage any number of prescriptions, over-the-counter medications and vitamins you may be taking. Even the most complicated medication regimens can be made simpler and easier to follow properly. In fact, the more prescriptions you have, the more you'll appreciate the benefits of E-Z Med.

What types of medications can be packaged into E-Z Med?

E-Z Med packets are perfect for nearly all your prescriptions, over-the-counter medications, supplements and vitamins. E-Z Med can also package "half tablets".

What types of medications can't be packaged in E-Z Med?

There are a handful of medications that cannot be packaged with the E-Z Med system: chewable tablets or tablets that dissolve easily, certain antibiotics, PRN or "as needed"
